What is JoBaskit?

JoBaskit is a one-stop campus recruitment solution that is designed to enhance your academic-industry partnerships.

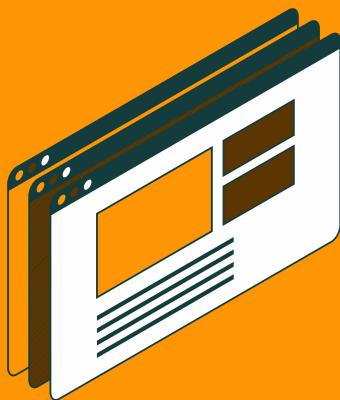

We aim to help you manage your campus placements, internships, and live projects by automating the process to increase the overall efficiency of your campus placements.

Why us?

Today, the pandemic has emphasised the significance of online recruitment more than ever. We believe that recruitment has hence taken a new direction with technology-assisted services. With JoBaskit, we help enable you to make the most of these recruitment opportunities.

With the ability to connect with multiple companies easily, we ensure a more manageable, smooth, and straightforward process.

KEY FEATURES

BEST USER INTERFACE

We designed our interface to reduce search time and ensure a smooth flow.

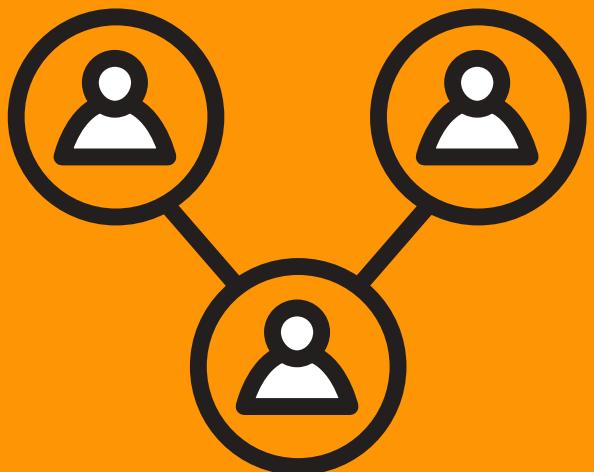

ORGANISED DATABASE MANAGEMENT

Creating, storing, modifying, and managing data has never been easier. We help transform the tedious workload into easy tasks.

CONNECT WITH MULTIPLE COMPANIES

IN A CLICK

We allow you to connect with multiple companies from our wide network and maintain good long-term relationships with them.

GET COMPANIES ON NICHE PROFILES

We provide students with the opportunity to connect with companies that are looking for their unique talents.

JOB RECOMMENDATIONS BASED ON THE STUDENT SKILLS

We effortlessly help by giving job recommendations based on the students' skill sets, ensuring that they get their desired placement.

FASTER STUDENT PLACEMENT EXPERIENCE

We ensure faster and facile student placement with a large database of companies to connect with and a more simple and less complicated process.

WORDS FOR THE REJECTED STUDENTS

Feedback is provided to those students who don't make it through, helping them get ready for their next attempt.

TEAM JOBASKIT IS ALWAYS WITH OUR CLIENTS

Quality post-sales service and assistance during the process will always be available whenever you need it.
